

Dear Sponsor,

The Del Mar Schools Education Foundation is holding its annual jogathon at all 8 schools in the Del Mar Union School District for over 3,100 local families. Jogathons will be held from the beginning of February through the end of March 2020. We would love for your business to join us and help make these community events a huge success!

The DMSEF Jogathons helps us provide funds for credentialed STEAM+ specialists in the Del Mar Union School District. With your generous support and partnership, DMSEF can close the gap in funding for STEAM teachers not provided by the state. It is because of this community support and partnerships that DMUSD is a premier school district in the nation. Strong schools mean a stronger community and local economy for us all.

Please consider sponsoring us at one of the following levels;
